- ✓ Payments & calendars
- ✓ Advanced SEO & analytics
- ✓ Like my portfolio work

Care Plan — \$250/yr Hosting, domain & SSL, backups, updates, and small edits handled for you. Optional.

WHY WORK WITH ME

- **A site you control.** Edit text, photos, prices, and hours yourself — no dev calls.
- **Real features, done right.** Stripe payments, booking that stops double-bookings, SEO that ranks.
- **Built by an engineer.** Work directly with the person writing the code — no agency markup.
- **You own everything.** Your site, your domain, your data. No lock-in.

RECENT WORK

The Pooch Pit — booking + Stripe deposits for a grooming business

OBGillustrator — fine-art e-commerce storefront

Oswego Legacy Partners — wealth-firm site + content platform

The Jeweler — content-managed shop site

Let's build something you own.
